- Thank You, Lord, for the power of partnership. I declare that through partnership, I have the ability to tap into Your anointing. I invest my finances to advance Your kingdom, knowing that fruit will abound to my heavenly and natural accounts. I believe that as I help Darrell Jordan Ministries fulfill its call to teach and preach the Gospel, You will liberally supply to the full my every need according to Your riches in glory by Christ Jesus.
- As I give, it will be given to me — pressed down, shaken together and running over. I thank You that my decision to help finance the Gospel through partnership enables me to experience the full measure of Your grace and favor.

In Jesus' name, amen.
